

Coming Soon From Orbis Education and Care!

SUMMERGIL HOUSE

A brand new specialist school, children's home and respite service for children and young people with needs associated with autistic spectrum condition.

- Supporting children and young people with autism and complex needs, including learning disabilities, communication difficulties and complex sensory needs.
- Offering individualised programmes of learning, care, life skills and leisure, making placements engaging, active, meaningful and fun.
- An award-winning model of education, care and clinical support based on Active Support and Positive Behavioural Support principles.
- Offering education-only, care-only or a combination of the two, on a day or residential, full or part-time basis, as well as respite care.
- A highly qualified and experienced multi-disciplinary support team including in-house SALT, OT and Behavioural Support Specialists.
- Featuring a sensory pool, sports hall, outdoor play areas, acres of outdoor space, woodland and other outdoor learning and leisure environments.
- Located in Presteigne on the Powys-Herefordshire border.
