Orbis Education and Care are committed to the

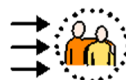

welfare and protection of children and young people

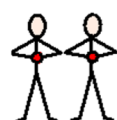

- All children and young people, have rights to protection

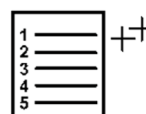

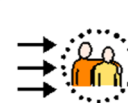

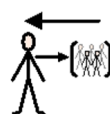

- All staff have responsibility to protect children and young people in

our care

- Children and young people and staff involved in child protection issues

will receive help

At Orbis Education and Care

- Help children and young people to make their own choices

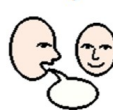

- Help young people to be safe in school

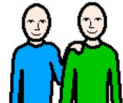

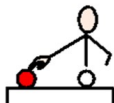

- Listen

- Use appropriate language when talking to young people

- Remember that things can make us upset like family and friends

Support

Staff will help young people if they have a problem

Complaints

If you are not happy with how something was dealt with

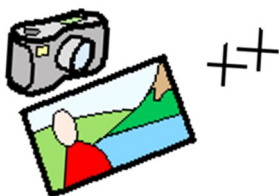

you can make a complaint and someone will listen to you

and help you

Photos

If you don't want your

photo taken, this is ok

E - Safety

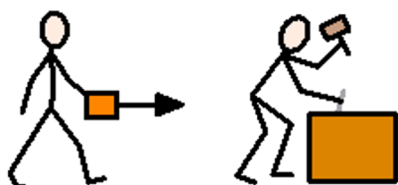

You must be safe when using the internet. If you

look at things that are not safe staff will stop you

Taking action

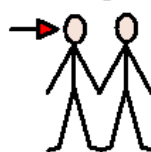

In an emergency staff will call 999

If it is not an emergency staff will report to the manager

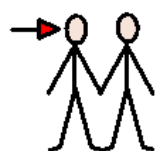

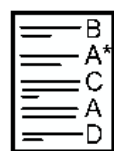

straight away

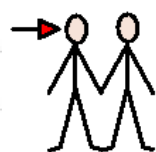

If you tell staff about a problem they must

report it to the manager so that they can help

They will then contact your parents

Staff will not talk about it to other people
